## *Social Services to Adults*

### *Social Services to Adults*

Social Services to Adults provides assistance to adults with functional disabilities seeking to remain or become self-sufficient; it seeks to prevent abuse, neglect or exploitation; it reduces unnecessary institutionalization, or secures appropriate institutional care when necessary.

### *Who is eligible?*

Services are available to adults with functional disabilities including mental or physical challenges where the individual does not have dependent children in their home.

### *Cost*

Services are provided without regard to income.

### *What services are provided?*

This program provides an assessment of needs and develops an individual plan of service. The service plan focuses on the adults long and short-term goals and empowers the adult to make informed decisions about their future.

### **Services may include:**

- Case management - the facilitation and coordination of services at the community level
- Crisis Intervention - up to 60-days of intensive emergent intervention
- Information and Referral - identification of other community services and resources

### *How to access services*
